

# THE UNITY CAMPAIGN

The Unity Campaign is a collaboration between local nonprofits to raise funds for the various services that different organizations address. 32 nonprofits in Frederick are participating in the Unity campaign this year, and we are all under the same umbrella of shielding the vulnerable in Frederick. Please choose The Religious Coalition as the nonprofit you support through Unity, and local businesses will boost your donation!

**The Unity Campaign is one of our biggest sources of support, and we need you now more than ever!**

"I just wanted to express my absolute gratitude. The Religious Coalition did not just help me provide a home for my children but has given me hope and the strength to keep fighting for what's best for my kids."

### Shielding our Citizens

*Barbara was commuting to her job in Catonsville when she got into a car accident. She subsequently lost her job, and has been in dire straits since then. She started a new job very soon after, and we were able to help her with eviction assistance. Our goal is to keep people in their homes whenever possible.*

### THE UNITY CAMPAIGN

**OUR GOAL IS TO RAISE \$30,000 THIS YEAR!**
